Scheme Guidelines of “PM SVANidhi” – Propose to be Implemented In Our Bank

1. Background:

Street vendors represent a very important constituent of the urban informal economy and play a significant role in ensuring availability of the goods and services at affordable rates at the door-step of the city dwellers. They are known as vendors, hawkers, thelewala, rehriwala, theliphadwala etc. in different areas/contexts. The goods supplied by them include vegetables, fruits, ready-to-eat street food, tea, pakodas, breads, eggs, textile, apparel, footwear, artisan products, books/ stationary etc. The services include barber shops, cobblers, pashops, laundry services etc. The COVID-19 pandemic and consequent lock down have adversely impacted the livelihoods of street vendors. They usually work with a small capital base and might have consumed the same during the lockdown. Therefore, there is an urgent need to provide credit for working capital to street vendors to resume their business.

2. Objectives:

The scheme is a Central Sector Scheme i.e. fully funded by Ministry of Housing and Urban Affairs with the following objectives:

- I. To facilitate working capital loan up to ₹10,000;

3. Eligibility of States/UTs:

The Scheme is available for beneficiaries belonging to only those States/UTs which have notified Rules and Scheme under Street Vendors (Protection of Livelihood and Regulation of Street Vending) Act, 2014. Beneficiaries from Meghalaya, which has its own State Street Vendors Act, may, however, participate. 6. Vendors who have gone back to their native places due to COVID-19:

Some of the identified / surveyed or other vendors who have been vending / hawking in urban areas, have left for their native places prior to or during the lockdown period because of COVID-19 pandemic. Such vendors are likely to come back after the situation normalizes and resume their business. 7. Data in Public Domain:

The State / UT / ULB-wise list of identified street vendors will be made available on the website of the Ministry/ State Government/ ULBs and Web Portal developed for the purpose.

(<http://pmsvanidhi.mohua.gov.in/Schemes/SearchVendor>)

8. Brief Details of the Product:

Urban street vendors will be eligible to avail a Working Capital Demand Loan (WCDL) loan of up to ₹10,000 with tenure of 1 year and repaid in monthly instalments. For this loan, no collateral will be taken by the lending institutions.

On timely or early repayment, the vendors will be eligible for the next cycle of working capital loan with an enhanced limit of a maximum of 200% of the earlier loan, subject to a ceiling of ₹20000/-. No prepayment penalty will be charged from the vendors for repayment before the scheduled date.

In case of Scheduled Commercial Banks, Regional Rural Banks (RRBs), Small Finance Banks (SFBs), Cooperative Banks & SHG Banks, the rates will be as per their prevailing rates of interest. In case of NBFC, NBFC-MFIs etc., interest rates will be as per RBI guidelines for respective lender category.

In respect of MFIs (non NBFC) & other lender categories not covered under the RBI guidelines, interest rates under the scheme would be applicable as per the extant RBI guidelines for NBFC-MFIs.

Rate of interest applicable under this scheme is RLLR+1.05% (As applicable to MSME loans up to ₹2,00,000/- as per HO Cir No:166/2020 dated 01.04.2020)

8.2 Interest Subsidy:

The vendors, availing loan under the scheme, are eligible to get an interest subsidy @ 7%. The interest subsidy amount will be credited into the borrower's account quarterly. Lenders will submit quarterly claims for interest subsidy for quarters ending as on June 30, September 30, December 31 and March 31 during each financial year. Subsidy will only be considered in respect of accounts of borrowers, which are Standard (non-NPA as per extant RBI guidelines) on respective claim dates and only for those months during which the account has remained Standard in the concerned quarter. The interest subsidy is available up to March 31, 2022. The subsidy will be available on first and subsequent enhanced loans up to that date. In case of early payment, the admissible amount of subsidy will be credited in one go.

8.3 Promotion of Digital Transactions by Vendors:

The scheme will incentivize digital transactions by vendors through cash back facility. The transaction trail so created will build the credit score of vendors for enhancing their future credit needs. The network of lending institutions and digital payment aggregators like NPCI (for BHIM), PayTM, GooglePay, BharatPay, AmazonPay, PhonePe etc. will be used to on-board the street vendors for digital transactions. The on boarded vendors would be incentivized with monthly cash back in the range of ₹50 - ₹100 as per the following criteria:

- i. On executing 50 eligible transactions in a month: ₹50;
- ii. On executing the next 50 additional eligible transactions in a month: ₹25 (i.e on reaching 100 eligible transactions, the vendor to receive ₹75); and
- iii. On executing the next additional 100 or more eligible transactions: ₹25 (i.e on reaching 200 eligible transactions, the vendor to receive ₹100).

Here eligible transactions mean a digital payout or receipt with minimum value of ₹25. An illustration of the EMI on a loan of ₹10,000@ 24% rate of interest, the interest subsidy @ 7% and the maximum cash back amount received as incentive is given at Appendix – B.

Branches/Offices to ensure that Street Vendor (SV) has one active/preferred UPI ID before disbursement of the loan amount. If a Street vendor does not have an UPI ID, branches to make arrangements to obtain/ get the UPI ID (P2PM Category with MCC 7407 code) along with a QR code on a durable material before disbursement of the loan. Branches shall encourage SV to have a RuPay Card linked to the Bank Account mentioned in the Loan application. This is required for Digital Cash Back Incentives purpose.

9. Who can lend:

Scheduled Commercial Banks, Regional Rural Banks (RRBs), Small Finance Banks (SFBs), Cooperative Banks, Non-Banking Finance Companies (NBFCs), Micro Finance Institutions (MFIs) & SHG Banks established in some States/UTs e.g. Stree Nidhi etc. The lending institutions will be encouraged to use their network of field functionaries i.e. Business Correspondents (BCs) / Constituents/ Agents extensively to ensure maximum coverage of the scheme.

States of Andhra Pradesh and Telangana do not have presence of MFIs. However, they have a robust network of SHGs and their Federations which may be utilised to complement the efforts of SCBs/ RRBs/ SFBs/ NBFCs and Cooperative Banks in mobilizing and generating loan applications for Street Vendors. For this, these States may devise a suitable incentive mechanism for the SHGs.

10. Credit Guarantee:

The Scheme has a provision of Graded Guarantee Cover for the loans sanctioned, as indicated below, to be administered by Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE), which will be **operated on portfolio basis**:

- a) First Loss Default (Up to 5%): 100%
- b) Second Loss (beyond 5% up to 15%): 75% of default portfolio
- c) Maximum guarantee coverage will be 15% of the year portfolio.

All loans given by each lending institution under the scheme will be considered for coverage under the guarantee. The periodicity of filing of claims by lending institutions will be quarterly.

All the participating lending institutions shall be eligible to avail this guarantee cover without any charges.

The guarantee coverage on subsequent cycles (upto eligible enhanced limit) will be available on the portfolio covered by CGTMSE during the scheme period i.e. upto March 31,2022.

Further, a representative of MoHUA shall be a special invitee at the meetings of the Board of trustees of CGTMSE whenever the Scheme is taken up for consideration.

11. Town Vending Committee:

The Town Vending Committee (TVC) plays a very important role in identification of beneficiaries. As provided in the Street Vendors Act, 2014, TVC consists of maximum 18 members with following composition:

- (iii) 40% of members representing street vendors; and
- (iv) 10% of members nominated from NGOs/ CBOs.

12. Formation of Collectives of the Vendors:

As per prevailing practice, the individual lending institution may form Joint Liability Groups (JLGs) of eligible vendors. The Common Interest Groups (CIGs) of street vendors, already formed by States, can be converted into JLGs by lending institutions. The ULBs should extensively encourage formation of CIGs of the street vendors to ensure maximum coverage of the scheme.

List of CIGs of street vendors formed by ULBs will be shared with the lending institutions. Similarly, the lending institutions will share the list of JLGs of eligible street vendors formed with respective ULBs.

Formation of such collectives is preferred and encouraged. However, it does not preclude individual vendors from availing the loan.

13. E-commerce & Quality Improvement:

The States/ UTs should prepare a roadmap for building up the capacities of street vendors to conduct e-Commerce and obtain necessary quality certifications from the concerned agencies like FSSAI etc.

14. Capacity Building & Financial Literacy:

A comprehensive capacity building plan will be developed to build the capabilities of different stakeholders like BCs/ Agents of lending institutions like banks/ NBFCs/ MFIs, SHGs/ federations, implementing bodies like ULBs/ TVCs and digital payment aggregators to ensure effective delivery of Scheme. Capacities of digital payment aggregators like NPCI and payment aggregators will be leveraged to impart financial literacy to the street vendors for encouraging on-boarding on digital platforms.

15. Branding and Communication:

Branding is an important aspect of communicating the scheme accurately to different stakeholders, especially to the target beneficiaries. A standard Branding and Communications Guidelines of the Scheme shall be issued separately.

Innovative use of various platforms including the local and social media will be encouraged to reach the targeted beneficiaries in an effective and engaging manner. Necessary Information, Education and Communication (IEC) and capacity building modules will be provided by MoHUA.

16. Integrated IT application for Scheme Administration:

An Integrated IT Platform along with Mobile App will be developed by the Ministry for administration of the scheme. This Portal will provide one stop solution for administration of the scheme. The lender representatives, including BCs and Agents will key in the relevant details in the search engine of the IT platform/ mobile App. For the successful cases, beneficiary verification will happen through an OTP sent to the beneficiary's mobile.

A provision will be made available in the IT application to generate a provisional CoV/ ID for the Street Vendors covered in the identification survey and not issued CoV /ID. After verification, BC / Agent will fill-in the application form and upload the necessary documents. The filled-up application information will then move electronically to ULB / TVC. The ULB / TVC will have to verify the details within a fortnight; after which the application will move to the concerned lending institution for sanction.

The Street Vendors not covered in the identification survey may approach the BC / Agent with the documents mentioned in para 5 above. The Agent will ensure that the identification documents are uploaded first for these types of beneficiaries and later a similar process as mentioned above will follow. ULB will verify the details and attach a letter of recommendation before forwarding it to the lender. A copy of the letter of recommendation will be given to the applicant also.

Preparatory activities, as indicated in the Appendix-A will be carried out during June 2020 and loans will commence from July, 2020.
